

## SuperForex Ltd 120% Hot Bonus Agreement

1. SuperForex's customers have the right to receive the 120% Hot Bonus when making a deposit to their real trading accounts.
2. The 120% Hot Bonus can be applied once per account.
3. The 120% Hot Bonus on account replenishment shall be credited within a period of 24 hours as of application. The bonus can only be credited to accounts that have been replenished.
4. **Exclusivity and compatibility:** The 120% Hot Bonus cannot be credited to accounts, which have already been credited with other bonus types, except for the 60% Energy Bonus.

Customers who have already received some other type of bonuses and still want to take advantage of the 120% Hot Bonus can open a new account and apply for the bonus with it. The number of accounts for each customer is not limited.

5. Customers have the right to receive the 120% Hot Bonus every time they register a real trading account with us and replenish it.
6. Although identification information is not requested while applying for the 120% Hot Bonus, SuperForex reserves the right to request identification documents at its own discretion.
7. Profit got from 120% Hot Bonus is calculated and credited in a proportional amount between both: the deposit and bonus parts every time the deal is closed. Each deal influences the distribution of the profits on balances in different ways.
8. **Withdrawals and bonus cancellation:** The profit over the 120% Hot Bonus can be withdrawn only after all Buy and Sell trades are completed.

1. There are two condition of cancelling the bonus in full:

1. The bonus might be cancelled in full when equity on the account will be less than the amount of received bonus, provided that:

**$Y / Z < 0.8$** , where:

Y = the current available balance in the account after the amount of the 120% bonus and the other available bonuses, if any, have been deducted

Z = the amount of the 120% bonus

For example, let's say you claim the Hot Bonus and make a deposit of \$100. The bonus will be \$120 in this case. Your total balance will be \$220. Let's say you make some trades and your balance goes up to \$300. Then you make a withdrawal of \$150, leaving your balance at \$150. Now let's check if the bonus will be cancelled in this case:

$$Y = 150 - 120 = 30$$

$$Z = 120$$

$$Y/Z = 0.25.$$

0.25 is less than 0.8, therefore the bonus will be cancelled.

2. **Upon withdrawal, the bonus will be cancelled in full, provided that:**

**$(Y-X) / Z < 1$** , where:

X = the amount that is requested for withdrawal

Y = the current available balance in the account after the sum of the amount of the 120% bonus and the amount of the other compatible bonuses has been deducted

Z = the sum of the amount of the 120% Hot bonus and the amount of the 60% Energy Bonus (if available)

For example, let's say you claim the Hot Bonus and make a deposit of \$100. The bonus will be \$120 in this case. Your total balance will be \$220. Let's say you make some trades and your balance goes up to \$300 and desire to withdraw \$150. Let's plug in our numbers in the formula:

$$X = 150$$

$$Y = 300 - 120 = 180$$

$$Z = 120$$

$$(Y-X)/Z = (180-150)/120 = 30/120 = 0.25$$

which is less than 1, therefore the Hot Bonus will be cancelled after this operation.

The profit made over the bonus amount can be withdrawn without any restrictions provided that all the terms and conditions of this agreement are fulfilled.

9. Bonus can be cancelled when your margin level become equal or less than 300%.
10. SuperForex reserves the right to cancel the 120% Hot Bonus without any prior notice to its customers. Therefore we strongly recommend that customers should not use the bonus funds in calculation of profit in their trading strategy.
11. SuperForex is not responsible for any consequences that may arise as a result of cancelling the bonus, including but not limited to Stop Out, as the bonus is the ownership of SuperForex.
12. The Company reserves the right to amend or modify the Bonus Agreement terms without prior notice.
13. By applying for the 120% Hot Bonus you acknowledge you have read and accepted the terms and conditions of this Agreement.
